We are Wolves. Progressive, determined, bright, unified and humble. A pack that is hungry for success. Wolves is one of the fastest growing professional football clubs in the UK, and also boasts one of the richest histories in the beautiful game.

Formed in 1975 as Heathfield Rovers, initially as a West Midlands League second division club, they later became Wolverhampton & Wednesbury Tube and then Wolverhampton Ladies before taking the name Wolverhampton Wanderers in 1993. In the 1993/94 season they were promoted to the Premier League, which was then the topflight of Women's football.

In 2008/09 the women and girl's programme were taken on board by the Wolves community trust, this support continued until 2021/22 season where the academy took control of the female provision, ensuring the boys and girls alike are given opportunities to play at Wolves.

2019/20 season and 2020/21 season saw Wolves Women top of the table in both seasons only to have the leagues ended abruptly due to COVID. This prevented promotion to tier 3, however Wolves were successful in an 'upwards movement' initiative allowing them to move into the FA Women's National League, Northern Premier Division.

After winning tier 3, at the first time of asking, the club to have cemented their status within the FAWNL having finished second last season to a full time Nottingham Forest. As we embark on our fifth season within the division we are aiming for our next steps to be WSL2 football for the first time in the club's history.
