

JOB DESCRIPTION

JOB TITLE: Senior Lead U21s Physiotherapist
DEPARTMENT: Academy Performance and Medical
REPORTS TO: Head of Academy Performance Services
LOCATION: Sir Jack Hayward Training Ground, Compton Park
HOURS A minimum of 37.5 hours per week, exact hours and days to be agreed. Due to the nature of the role flexibility is essential. Attendance required at consultant appointments/special events/dinners/induction seminars.
DATE: April 2024

We are Wolves; progressive, determined, bright, unified and humble. A pack that is hungry for success. Wolves is one of the fastest growing professional football clubs in the UK, and also boasts one of the richest histories in the beautiful game.

Formed in 1877, Wolves was a founder member of the Football League, and was one of the country's most successful sides in the fifties and sixties. During a two decade spell the Black Country's most decorated side won three First Division titles and one of its four FA Cups.

Fast forward to 2021, three seasons at Molineux saw Wolves clinch the Sky Bet Championship trophy with 99 points, followed by a seventh-place finish in the Premier League, which included memorable wins over Manchester United, Tottenham Hotspur, Chelsea and Arsenal. The next season saw the team complete a memorable double over the reigning champions, equal the previous season's seventh place finish and reach the quarter finals of the Europa League all as part of the 'longest season' in league history, either starting before or finishing after all other teams.

But this post is about what we will do next, not what we have done.

We take seriously our commitment to the safeguarding of children and adults at risk and to ensuring that Wolves is free from discrimination and harassment.

Job purpose

As the 'Senior Lead U21s Physiotherapist' you will lead on the medical provision for the U21 academy squad. This role will also involve work with the transition/loan squad and first team as required by the needs of the Club, particularly at high intensity workload periods. As a result, this role will contribute to the success and achievement of the academy programme. A key component of this role is the ability strive for excellence to ensure that the optimal service is provided for all academy players and the medical department. The role will form part of our Senior PDP medical department and will be an integral clinical voice across this phase.

Key responsibilities

MANAGEMENT OF INJURIES

- Lead the provision of physiotherapy services to all players in the U21 Academy squad
- Support PDP rehabilitation players including players who return from Loan clubs.
- Implement evidence-based practice and utilise advanced clinical reasoning skills during the rehabilitation process.
- Always Demonstrate effective communication with all Academy MDT staff members, providing information regarding player injury status and rehabilitation progress where appropriate.
- Ensure the management of injuries effectively meets its commitments to the players, coaches and senior management through clinical audit and accurate documentation.

INJURY PREVENTION

- Liaise with all MDT members daily to effectively communicate individual player availability and readiness to train.
- Work alongside the Academy Sport Scientists and Athletic Development Coaches to develop and implement effective injury prevention and strategies across the U21 squad.
- Support with and deliver daily injury prevention strategies for all U21 players.
- Assist with the planning and implementation of the evidence based musculoskeletal screening/profiling of all players on a regular basis throughout the season.
- Ensure all U21 squad players have an individualised injury prevention programmes that are focused on addressing relevant injury risk factors.
- Ensure the delivery of injury prevention strategies effectively meets its commitment to the players, coaches and senior management through clinical appraisal and an evidence-based approach.

MEDICAL PROVISION AT MATCHES/TOURS

- Working with the U21 MDT to ensure appropriate physiotherapy match day cover and advanced medical care for all U21 squad fixtures and support other academy games when required.
- Ensure adequate support is present at all U21 Squad fixtures and training sessions to maintain standards set out in MEAP.
- Ensure all medical equipment and MEAP procedures are regularly reviewed and maintained at the training ground in line with EPPP criteria.
- Support with medical provision for all PDP squad training camps.

PRE-SIGNING MEDICALS/MEDICAL CONSULTATIONS

- Play an active role within the pre-signing medical of U21 squad players liaising closely with the Head of Academy Performance Services + Academy Doctors.
- When necessary, accompany players to medical consultations at short notice (either in this country or abroad), ensuring the player receives optimal care and advice at all times.

DEPARTMENT RESPONSIBILITIES

- Take an active role providing mentorship to PDP, YDP, FDP and Part time staff.
- Ensure that the Academy Performance Plan is regularly reviewed and updated to maintain EPPP category one status.
- Take a key role in implementing First Team/Academy Medical Department CPD sessions
- Ensure all key administrative tasks are completed and appropriately managed:
- Review the EPPP document three times a year and review/update KPI targets.
- Support with the online system for all cardiac screens
- Review and update relevant Academy EAPs along with the Head of Academy Performance Services and Academy Doctor – annually.
- Input all medical notes onto the Kitman Labs system within 24 hours of completion.
- Complete monthly development targets focused on service development and continued professional development.
- Take an active role in the development of the medical aspect of the Kitman Labs system.
- Lead on the U21 Squad FA Whereabouts daily, with full responsibility for its accurate completion.

DEPARTMENT STRATEGY

- Take an active role as the Academy Medical Department strives to be regarded as a high performing department
- Contribute to the Medical Department strategy through:
 - attendance at strategic planning meetings and contributing actively
 - formulating designated project plans and getting these approved
 - leading on designated projects, ensuring milestones are met, giving regular progress reports to stakeholders
 - supporting other team members with their projects
 - implementing outcomes of projects across the PDP/YDP

CONTINUAL PROFESSIONAL DEVELOPMENT

- Take responsibility for continued professional development and keeping an up-to-date portfolio of achievements.
- Strive to advance working practices both within the Medical Department, and in the wider sports physiotherapy setting by promoting and performing clinical research.

General responsibilities

- Compliance with Club policies
- Compliance with the Club's health and safety procedures
- Compliance with the Club's safeguarding policies
- To promote the Club's values
- To work consistently to embed equality & diversity into the Club
- To undertake such other duties as may be reasonably expected
- To always maintain professional conduct
- Be an ambassador of the W.O.L.V.E.S culture and philosophy.

Safeguarding

- This role involves working with children and/or adults at risk in a Regulated Activity. This means that the post-holder is required to apply all relevant policies and uphold the Club's commitment to safeguarding vulnerable people.
 - Always ensure the well-being of Academy players liaising with the Club's Head of Safeguarding on all safeguarding related matters.
